

CRAIG STEVENS

Executive Vice President APAC

Degree in Health Service Management from the Flinders University of Adelaide, MBA from the University of Adelaide

After his experiences as General Manager of the Adelaide Radiotherapy Centre and as Operations and Business Development Manager of I-Med Queensland, in 2006 Craig joined National Hearing Care, where he was appointed Sales and Operations Director. He continued to hold this position also after the acquisition and integration of the Australian business by the Amplifon Group. In January 2013 he moved to Europe as Sales Director of Amplifon Germany to become Market Director 2 years later. From July 2015 until December 2016 he has also covered ad interim the position of Market Director of Amplifon UK&EIRE. He has been appointed EVP of the APAC Region in January 2017.
