

GIULIO PIZZINI

Chief Strategic Development Officer

Degree in Computer Engineering from Polytechnic University of Milan, MBA from Harvard Business School

Giulio started his career in McKinsey & Company in 2001 in Milan and moved in 2005 to the San Francisco office where he was appointed Engagement Manager. He returned to Europe in 2009 to join Georgia-Pacific Corporation in Brussels as Director of Business Development and Strategy. He then led various European functional areas, first as Pricing Director and then as Customer Operations Director. In 2013 he became part of SCA following its acquisition of Georgia-Pacific Europe, as Business Development Director, based in Germany. Giulio joined Amplifon in September 2015 as Chief Strategic Development Officer.
