Item 1. Approval of the Financial Statements as at 31 December 2022:

1.1 Approval of the Financial Statements as at 31 December 2022; reports prepared by the Board of Directors, the Board of Statutory Auditors and the Independent Auditors. Consolidated Financial Statements as at 31 December 2022 and Report on Operations in accordance with Commission Delegated Regulation (EU) 2018/815 and subsequent amendment. Consolidated Non-Financial Statement as at 31 December 2022.

1.2 Allocation of the earnings for the year.

She proposes not to read the Company's Financial Statements, the Directors' Report and, with the consent of the Chairman of the Board of Statutory Auditors, the Auditors' Report in their entirety.

She points out that the annual Financial Report for 2022, inclusive of the draft financial statements and the consolidated financial statements, the report on operations, as well as the reports of the statutory auditors and of the auditing firm, has been filed at the Company's registered office and published on the Company's website in the *Governance/Shareholders documents* section on 16 March 2023.

She also remembers that, in accordance with Legislative Decree no. 254/2016 regarding the communication of non-financial information, the Consolidated Non-Financial Statement at 31 December 2022 was drafted and published.

She then gives the floor to the Chief Executive Officer, who illustrates the most significant data of the financial year for the Company and the Group.

The Chief Executive Officer welcomes and thanks all attendees and begins his report.

"In 2022 we continued along our growth path despite the difficult comparison base.

At global level, 2022 has been indeed characterized by an increase of geopolitical instability and inflation at historic highs that have determined a more volatile and uncertain macroeconomic environment, especially during the second half of the year.

In this scenario, we managed to grow at a greater pace compared to the market and, therefore, to gain market share at global level, reaching record levels of revenues, EBITDA and net profit.

These results are even more relevant because they have been achieved in a more complex market than expected and with a comparison base with 2021 extremely challenging.

The consolidated revenues for 2022 amounted to Euro 2.119 million, growing an increase of 8.8% at current exchange and of 6.8% at constant exchange rates compared to 2021. This performance is attributable for 3.0% to above market organic growth and for 3.8% to acquisitions, mainly related to Bay Audio. The foreign exchange effect was positive for 2.0% mainly driven by the strengthening of the US dollar against the Euro. EBITDA amounted about 519 million euros, an increase of 10,8% compared to 2021, and the net income was of 179 million euros, an increase of 13,1% compared to 2021.

In pursuing our growth strategy, we also maintained our consolidated financial discipline. A free cash flow of 247 million euros has been generated and the net financial debt has been reduced to 830 million euros, with a financial leverage also in large decrease down to 1,52x compared to 1,68x at December 31st, 2021. All this, after investments of about 310 million euros in Capex, M&A, dividends and share buybacks.

Concerning the strategic initiatives, during 2022, we report a further progress

on our sustainability initiatives, concerning which we continued to achieve

excellent results.

Finally, it should be noted that the 2022 financial statements of the parent

company Amplifon S.p.A. closed with revenues of 416,2 million euros and a net

income of 117,7 million euros."

After the intervention of the Chief Executive Officer, the Chairman takes the

floor again and thanks him and the management of the Company, together with

all the collaborators, for the efforts made and for the results thus achieved.

The Chairman then proposes to:

1. the Directors' Report on Operations be approved;

2. the Company's Financial Statements as at 31 December 2022, showing

year's earnings equal to Euro 117.701.893, be approved.

The Chairman asks the Designated Representative to confirm whether the data

of the shares represented have remained unchanged and, after such

confirmation, puts the approval of the Company's Financial Statements for the

year ended as at December 31, 2022.

The Chairman asks the Designated Representative to communicate the results

of the voting, and the Designated Representative replies as follows:

Favorable: 289.887.078 shares equal to 99,918%

Against: 189.968 shares equal to 0,066%

Abstained: 47.420 shares equal to 0,016%

The Chairman thanks the Designated Representative and declares that the

Company's financial statements for 2022 have been approved by the majorities

just communicated by the Designated Representative.

The Chairman now moves on to discuss the Allocation of the profit for the year.

The draft financial statements as at December 31, 2022 of Amplifon S.p.A. that is being presented to the Shareholders' Meeting shows a net profit of €117,7 million (€84,3 million as at December 31, 2021).

This result allows to submit to the shareholders the distribution of a dividend of Euro 0.29 per ordinary share.

The amount of the total dividend distributed will vary depending on the number of shares with regular dividend rights on the day the dividend is paid, net of the company's treasury shares (based on the data available to the Company equal, as of today's date, to no. 1.800.850 treasury shares, representing 0.795% of the share capital, as of the same date).

As at the date of this Meeting, this countervalue amounts to a total of Euro 65.130.453,30.

The Chairman therefore proposes to:

- 1. allocate the earnings for the year as follows:
 - distribute to the shareholders, as dividend, a portion of the earnings equal to Euro 0.29 per share;
 - allocate the remaining portion of the earnings as retained forward;
- 2. give mandate to the Board of Directors to ascertain, in due course, in relation to the final exact number of shares subject to remuneration, the amount of the distributed and retained earnings;
- 3. pay the dividend starting from 24 May 2023, with ex-dividend date on 22 May 2023.

The Chairman asks the Designated Representative to confirm whether the data of the shares represented have remained unchanged and, after such confirmation, puts the proposal for the profit described above to the vote.

The Chairman asks the Designated Representative to communicate the results

of the voting, and the Designated Representative replies as follows:

Favorable: 290.094.966 shares equal to 99,990%

Against: 29.500 shares equal to 0,010%

The Chairman thanks the Designated Representative and declares that the

allocation of the year's earnings has been approved by the majorities just

communicated by the Designated Representative.

The Chairman then moves on to deal with the **second item** of the agenda:

Item 2. Directors' remuneration for FY 2023

The Chairman points out that, enacting the rights stated in article 22 of the

Articles of Association, the Shareholders' Meeting of 22 April 2022 had

determined that the amount of remuneration granted to the Directors for the

2022 period was equal to Euro 1,370,000.00.

As for 2023 year, the Board of Directors proposes, also based on the

recommendations of the Remuneration and Appointment Committee, to assign

to the Directors the amount of Euro 1,370,000.00 to be allocated to its members

by the same Board of Directors.

The Chairman therefore proposed to take the following resolution:

"The ordinary Shareholders' Meeting of Amplifon S.p.A., convened in single call

on 21 April 2023, pursuant to its statutory powers and the Report prepared by

the Directors.

resolves

to assign to the Directors a remuneration for the year 2023 of Euro 1,370,000.00

to be recorded as an expense for the relative fiscal year".

The Chairman asks the Designated Representative to confirm whether the data

of the shares represented have remained unchanged and - after such

confirmation - puts the approval of the Directors' remuneration for FY 2023 to

the vote.

The Chairman asks the Designated Representative to communicate the results

of the voting and the Designated Representative replies as follows:

Favorable: 288.727.956 shares equal to 99,519%

Against: 1.391.882 shares equal to 0.480%

Abstained: 4.628 shares equal to 0,001%

The Chairman thanks the Designated Representative and declares that the

Directors' remuneration for FY 2023 has been approved by the majorities

communicated by the Designated Representative.

Then the Chairman moves on to deal with the **third item** of the agenda:

Item 3. Stock grant plan in favour of the employees and its subsidiaries

for 2023-2028 ("Stock Grant Plan 2023-2028").

It is submitted to the Shareholders' Meeting approval, pursuant to Article 114-

bis, par. 1, of the TUF, as subsequently amended, a stock grant plan in favour

of the employees of the Company and its subsidiaries in accordance with Civil

Code, art. 2359 ("Stock Grant Plan 2023-2028" or "Plan") as well as to grant

suitable powers to the Board of Directors to implement such plan.

For details on the contents of the Stock Grant Plan 2023-2028, prepared by the

Board of Directors, upon the proposal of the Remuneration and Appointments

Committee, in accordance with art. 114-bis of the Consolidated Law on

Finance, art.84-bis of the Issuers' Regulations, and Annex 3A, Chart 7, of the

Issuers' Regulations, please refer to the informative document attached to this

explanatory report (the "Informative Document") available to the public at the

as Company's legal office, well as on the Company's website

https://corporate.amplifon.com and on the storage mechanism "eMarket Storage".

It should be noted that the Plan is in line with the Company's Remuneration Policy submitted to Shareholders' Meeting for a vote and that the inclusion of the Beneficiaries to the Plan will be determined solely on the basis of the managerial role they hold in the organizational structures of the Company and its subsidiaries, regardless of the positions they hold in the governing bodies of the Company or its subsidiaries. For this reason, the names of these incumbents are not provided.

In view of the above, the Chairman propose to adopt the following resolution proposal:

"The Ordinary Shareholders' Meeting of Amplifon S.p.A., 1) having examined the Directors' Reports on the proposed agenda, and 2) having examined the Informative Document prepared in accordance with art. 84-bis of the Issuers' Regulations,

revolves:

- to approve, in accordance with art. 114-bis of the TUF, agreeing with the reason behind it, the "Stock Grant Plan 2023-2028" as indicated in the Informative Document:
- to grant the Board of Directors all necessary and appropriate authorities to set up and implement the Stock Grant Plan 2023-2028. Just for example and without limitation, the Board of Directors will have the authority, which may be subdelegated to any member, after hearing the Remuneration and Appointments Committee, to: (i) implement the Stock Grant Plan 2023-2028; (ii) identify, by name, the Beneficiaries; (iii) determine on an annual basis, with reference to each three-year cycle under the Stock Grant Plan 2023-2028, the number of the Rights to be assigned to each Beneficiary; (iv) proceed annually, with reference to each three-year cycle under the Plan, to the allocation of the incentive in favour of the Beneficiaries; (v) establish all the terms and conditions for the implementation of the Stock Grant Plan 2023-2028 and the approval of the Regulation of the Stock Grant Plan 2023-2028 and the relevant

documentation, with the power to make subsequent amendments and/or

additions; (vi) provide for market disclosure and (vii) introduce amendments to

the Stock Grant Plan 2023-2028 which might be necessary and/or appropriate,

with particular regard to regulatory changes or changes of the Code of

Corporate Governance or in case of extraordinary events or transactions."

The Chairman asks the Designated Representative to confirm whether the data

of the shares represented have remained unchanged and - after such

confirmation - puts the approval of the Stock Grant Plan 2023-2028 in favour of

the employees of the Company and its subsidiaries to the vote.

The Chairman asks the Designated Representative to communicate the results

of the voting and the Designated Representative replies as follows:

Favorable: 242.111.331 shares equal to 83,451%

Against: 47.994.987 shares equal to 16,543%

Abstained: 18.148 shares equal to 0,006%

The Chairman thanks the Designated Representative and declares that the

Stock Grant Plan 2023-2028 has been approved by the majorities just

communicated by the Designated Representative.

Then the Chairman moves on to deal with the **fourth item** of the agenda:

Item 4. Remuneration Report 2023 pursuant to art. 123-ter Legislative

Decree 58/98 ("TUF") and art. 84-quater Issuers' Regulations:

4.1 Binding resolution on the first section pursuant to art. 123-ter, par. 3-

bis and 3-ter of the TUF.

4.2 Non-binding resolution on the second section pursuant to art. 123-ter,

par. 6 of the TUF.

The Chairman starts her speech by pointing out that the Ordinary Shareholders'

Meeting has been called in order to submit for approval, pursuant to article 123-

ter of the TUF, as amended by Legislative Decree 49/2019, the report on the

remuneration and compensation policy (the "Remuneration Report").

For the full Remuneration Report make reference to the document attached to the explanatory report, prepared pursuant art.84-quarter of the Issuers' Regulation.

The Remuneration Report is organised in two sections:

- I. the first section (the "Remuneration Policy") illustrates in a clear and comprehensible manner: (a) the company's policy on the remuneration of management bodies, the managing director and key managers with strategic responsibilities with reference to at least the financial year 2023 and, without prejudice to the provisions of Article 2402 of the Italian Civil Code, the members of the control bodies; and (b) the procedures used for the adoption and implementation of this policy. The Remuneration Policy contributes to the Company's strategy, the pursuit of long-term interests and the sustainability of the Company and illustrates how this contribution is made;
- II. the second section (the "Remuneration Paid"), in a clear and comprehensible manner (by name for the members of the administration and control bodies, the managing director and in aggregate form for key managers with strategic responsibilities): (a) provides an adequate representation of each of the items that make up the remuneration, including what is provided in the event of termination of office or termination of employment, highlighting their consistency with the company's remuneration policy for the financial year 2022; (b) analytically illustrates the remuneration paid in the financial year 2022 for any reason and in any form by the company and its subsidiaries or associated companies, indicating any components of the aforesaid remuneration that relate to activities carried out in financial years prior to the financial year in question and also highlighting the remuneration to be paid in one or more subsequent financial years for activities carried out in the financial year in question, possibly indicating an estimate value for the

components of the remuneration that cannot be objectively quantified in

the financial year in question.

The Remuneration Policy is subject to the vote of the shareholders and the

subsequent resolution is binding.

Also the Remuneration Paid is subject to the vote of the shareholders but the

subsequent resolution is not binding.

In view of the above, the Chairman propose to adopt the following resolution

proposal:

"The Ordinary Shareholders' Meeting of Amplifon S.p.A., held in single call on

21 April 2023, having examined the remuneration and compensation policy

prepared by the Board of Directors pursuant to art. 84-quarter and Annex 3A,

scheme 7-bis and 7-ter of the Issuers Regulation,

resolves to

1. approve the first section of the Remuneration Report;

2. issue a favourable resolution on the second section of the Remuneration

Report, and to make public the outcome of the vote pursuant to art. 125-

quater, paragraph 2. of the TUF".

The Chairman asks the Designated Representative to confirm whether the data

of the shares represented have remained unchanged and, after such

confirmation, puts the approval on to the separate vote on the two items.

Then she puts the approval on the First Section of the Remuneration Report

(that is binding).

The Chairman asks the Designated Representative to communicate the results

of the voting and the Designated Representative replies as follows:

Against: 70.108.955 shares equal to 24,165%

The Chairman thanks the Designated Representative and declares that the First Section of the Remuneration Report has been approved by the majorities

just communicated by the Designated Representative.

The Chairman then asks to vote on the Second Section of the Remuneration

Report (that is not binding).

Then she asks the Designated Representative to communicate the results of

the voting and the Designated Representative replies as follows:

Favorable: 219.093.309 shares equal to 75,517%

Against: 69.910.395 shares equal to 24,097%

Abstained: 1.120.762 shares equal to 0,386%

The Chairman thanks the Designated Representative and declares that the

Second Section of the Remuneration Report has been approved by the

majorities just communicated by the Designated Representative.

The Chairman then moves on to deal with the **fifth item** of the agenda, which

reads as follows:

Item 5. Proposed amendment to the Co-investment Plan ("Sustainable

Value Sharing Plan 2022-2027"): resolutions pursuant to Article 114-bis of

Legislative Decree 58/1998 ("TUF") and Article 84-bis of the Issuers'

Regulations.

It is submitted to the Shareholders' Meeting approval, a proposal of amendment

of the "2022-2027 Sustainable Value Sharing Plan" (the "Amendments" and the

"Scheme"), which was approved pursuant to Article 114-bis TUF, as

subsequently amended, by the Amplifon's Ordinary Shareholders' Meeting of

April 22, 2022.

The Amendments have been approved by the Board of Directors, on the proposal of the Remuneration Committee, on March 1, 2023 and it is submitted to the Ordinary Shareholders' Meeting, in accordance with Article 144-bis TUF, for its approval.

The Amendments submitted for the Shareholders' Meeting approval deals with the changes of the second, third and fourth cycle of assignment of the Scheme originally intended only for the Managing Director/General Manager. The Amendments are aimed at extending the Scheme to further beneficiaries and, in particular, to the Group's key management personnel and – possibly - as well as other recipients, individually identified on the basis of criteria defined in the Plan.

It should be noted that the participation of beneficiaries in the Scheme, as per the Proposed Amendment, will be determined solely on the basis of the managerial role they hold in the organizational structures of the Company or its subsidiaries, regardless of the positions they hold in the governing bodies of the Company or its subsidiaries. For this reason, the names of these incumbents are not provided.

The increase of the number of Shares underlying the Scheme is also subject of the Amendments. On the other hand, all further terms and conditions of the Scheme remain substantially unchanged, made exception of the necessary adjustments in order to reflect the extension of the Scheme to categories of beneficiaries other than the one originally contemplated. For the sake of clarity, it should be noted that the proposed amendment will only affect the second, third and fourth allocation cycles, while the terms and conditions relating to the first allocation cycle will remain unchanged.

For details on the contents of the above-mentioned Amendments, please make reference to the Informative Document, prepared by the Company pursuant art.84-bis of the Issuers' Regulations, and art. 114-bis of the TUF, which is made available to the public at the Company's head office, as well as on the storage mechanism "eMarket Storage" and on the Company's website.

The Chairman notes that the Amendments are in line with the Company's

Remuneration Policy submitted to the vote of the todays Shareholders' Meeting as item No. 4 on the agenda.

In view of the above, the Board of Directors hereby submits the following resolution for the approval of the Shareholders' Meeting:

The Chairman thanks the Designated Representative and declares that the

proposed resolution has been approved by the majorities just communicated

by the Designated Representative.

The Chairman then moves on to deal with the **sixth item** of the agenda, which

reads as follows:

Item 6. Approval of a plan for the purchase and disposal of treasury

shares pursuant to articles 2357 and 2357-ter of the Italian Civil Code,

following revocation of the current plan; related and consequent

resolutions.

The Chairman then illustrates in summary the contents of the Directors' Report drafted by the Board of Directors of your Company under art. 73, paragraph 1, of the Issuers' Regulations, articles 2357 and 2357-ter of the Italian Civil Code and article 132 of TUF.

The Board of Directors submits to the Shareholder's Meeting's approval the authorisation to carry out a Plan involving one or more purchase and sale transactions, on a revolving basis, of a maximum number of ordinary shares of Amplifon S.p.A. which, where the purchase option is exercised in full and taking into account the treasury shares already in portfolio, results in the Company not holding over 10% of its own share capital (as at the date of this Meeting, therefore a maximum of 22,638,862 ordinary shares of a nominal value of Euro 0.02 each). The authorisation requested implies the previous revocation of the part of the current plan, approved by the Shareholders' Meeting of 22 April 2022 and which would expire on 22 October 2023, that has not been executed.

The Board of Directors believes that the reasons at the basis of the request for authorisation to purchase and dispose of treasury shares submitted at the time remain valid.

The request of authorization to the Shareholders' Meeting is motivated by the opportunity of providing the Company with an effective tool to:

- (i) dispose of treasury shares to service share-based incentive plans, both current and future, for Directors and/or employees and/or collaborators of the Company and other companies controlled by the same, as well as any plans for the free assignment of shares to shareholders;
- (ii) dispose of treasury shares to be allocated as a means of payment for acquisitions of companies or exchange of equity interests, and, in any case, to pursue the purposes permitted by current regulatory provisions, including those set out in Regulation (EU) 596/2014, as well as, where applicable, by market practices permitted by Consob.

It should be noted that the authorisation request pertains to the Board of Director's faculty to carry out repeated and successive purchase and sale transactions (or other disposal transactions) of treasury shares on a revolving basis (so-called "revolving transactions"), also for fractions of the maximum allowed quantity, so that, at any time, the quantity of shares subject to the proposed purchase and held in the Company's portfolio does not exceed the threshold provided for by the law and by the Shareholders' Meeting's authorisation.

For the aforementioned reasons, the Board of Directors intends to ask the Shareholders' Meeting to authorise the purchase and the disposal of treasury shares pursuant to Articles 2357 and 2357-*ter* of the Italian Civil Code.

It is noted that, based on data available to the Company on today's date, the Company holds 1.800.850 shares of Amplifon S.p.A., equivalent to 0.795% of the share capital, purchased on the market based on treasury share buy-back programs authorised from time to time by the Ordinary Shareholders' Meeting. It is also noted that, pursuant to Article no. 2357, Paragraph 1 of the Italian Civil Code, the purchase of treasury shares is allowed within the limits of the profit available for distribution and the available reserves reported in the latest set of approved Financial Statements.

To this purpose, we would like to refer to the Financial Statements for the year ended on 31 December 2022 submitted to the today's Shareholders' Meeting. These Financial Statements show (i) net earnings for the financial year of Euro 117.701.893,33 of which Euro 52.571.440,03 brought forward; (ii) other available capital reserves of Euro 202,712,441.75; and (iii) distributable retained earnings of Euro 351.182.889,55.

The buy-back authorisation is requested for the maximum duration permitted by Article No. 2357, Paragraph 2, of the Italian Civil Code and, therefore, for a period of 18 months from the date of its approval by Shareholders' Meeting.

The authorisation to the disposal of treasury shares that may be acquired, or which are already owned by the Company on the date of this Meeting, is

requested without a time limit, in light of the non-existence of legal provisions in this respect and the opportunity of maximising the time period during which the sale can be performed.

The Board of Directors proposes that the unit price for the purchase of shares shall be established from time to time for each transaction, provided that it is neither higher nor lower by 10% of the share's reference price on the trading day prior to each individual purchase transaction.

The Chairman then gives the floor to the Secretary Mr. Colombo, for the reading of the proposed resolution.

The Secretary, after having thanked the Chairman, reads the following resolution's proposal:

Resolution's proposal:

"The ordinary Shareholders' Meeting of Amplifon S.p.A.:

- having examined the report prepared by the Board of Directors in compliance with Article 73 and Annex 3A, Chart no. 4, of the Issuers Regulation;
- acknowledging that, at the time of this Shareholders' Meeting and on the basis of the data available to the Company, Amplifon S.p.A. holds no. 1.800.850 treasury shares in portfolio and none of its subsidiaries holds Amplifon S.p.A.'s shares;
- noting the opportunity of issuing an authorisation for the purchase and disposal of treasury shares enabling the Company to carry out purchase and disposal transactions for treasury shares for the purposes of and in compliance with the methods indicated in the Report of the Board of Directors;

resolves

 to revoke, with effect from today, the treasury shares purchase and disposal plan approved by the Shareholders' Meeting on 22 April 2022, as to the part that has not been executed;

- 2. to authorise, pursuant to Article 2357 of the Italian Civil Code, the purchase, on one or more solutions, of a maximum number of ordinary shares resulting in the Company holding a number of shares equal to maximum 10% of the share capital in case the faculty herewith granted is exercised in full within the maximum deadline indicated below in full compliance with all limits set by law and taking into account the shares already held as in its portfolio, for the pursuit of the objectives highlighted in the Report of the Board of Directors and at the following terms and conditions:
 - shares may be purchased up until expiry of the eighteenth month from the date of this Resolution; the last purchase made within this deadline will have to include a number of shares such as to allow compliance with the aforementioned overall 10% threshold;
 - the shares may be purchased at a unit price that is not 10% lower or higher than the share's reference price recorded on the trading day before each individual purchase transaction;
 - the purchase may be carried out in line with any of the methods described and admitted by current legislation, including (EU) Regulation 596/2014 and related implementing provisions, as well as eventually the admitted market practices recognised by Consob, with the only exception of public tender offers for purchase or exchange, taking into account the specific exemption provided for by Paragraph 3 of the aforementioned Article 132 of the TUF;
- 3. to authorise, pursuant to Article 2357-ter of the Italian Civil Code, executing disposal transactions, on one or more occasions, on treasury shares purchased pursuant to this resolution or already held by the Company at the date of today's meeting, in compliance with applicable legal and regulatory provisions, in order to pursue the objectives described in the Report of the Board of Directors and the following terms and conditions:
 - the shares may be sold or otherwise transferred at any time, without time limits;

- the disposal transactions may be made even before the purchases have been completed, and may take place on one or more occasions by means of sales on the market, off-market or on the block market, and/or via transfer to Directors, employees and/or or collaborators working for the Company and/or its subsidiaries, in implementation of an incentive plan and/or through any other act of disposal, in connection with operations involving share swaps or sales, by means of exchange or transfer or, finally, in relation to capital transactions involving the allocation or disposal of treasury shares (such as mergers, demergers, the issue of convertible bonds or warrants serviced by treasury shares);
- the minimum price may not be 10% lower than the price recorded by the share on the trading day before each disposal transaction. However, such price limit will not apply: (i) to disposal transactions in favour of Directors, employees and/or collaborators of the Company and/or its Subsidiaries for the implementation of incentive plans; as well as (ii) if the shares are subjected to exchange, trade-in, contribution or any other act of non-cash disposition (in this scenario (ii), the economic terms of the transaction may be determined by the Board of Directors in accordance with the purposes of the initiative proposed herein and the limits of the relevant applicable laws).
- 4. to grant the Board of Directors full powers to execute this resolution, with the express right of delegation, also by approving any executive act related to the buyback plan."

As soon as the Secretary ends reading, the Chairman asks the Designated Representative to confirm whether the data of the shares represented have remained unchanged and, after such confirmation, puts the approval of the resolution to the vote.

The Chairman asks the Designated Representative to communicate the results of the voting and the Designated Representative replies as follows:

Favorable: 238.868.100 shares equal to 82,333%

Against: 49.606.410 shares equal to 17,098%

Abstained: 1.649.956 shares equal to 0,569%

The Chairman thanks the Designated Representative and declares that the proposed resolution has been approved by the majorities just communicated by the Designated Representative.

Nothing else being on the agenda, the Chairman thanks the attendees and closes the Shareholders' Meeting at 4:00 pm.

The Chairman
Susan Carol Holland
