

AMPLIFON ON "TIME" LIST OF WORLD'S BEST COMPANIES

The first "World's Best Companies" list, produced in collaboration with Statista, includes the 750 best businesses worldwide in terms of revenue growth, employee satisfaction and sustainability

Milan, 12 September 2023 – **Amplifon**, global leader in hearing services and solutions, has been included in the **Time Magazine** list of the **best companies in the world**.

The "**World's Best Companies**" rankings, published for the first time this year, were compiled in collaboration with specialist market insights company Statista, taking account of three metrics: revenue growth, employee satisfaction, and Corporate Social Responsibility (CSR). The rankings name 750 of the 10,000 major companies taken into consideration, each with a minimum annual turnover of \$100 million and presence on at least two world regions. Amplifon comes under the Engineering, Manufacturing and Medical Technologies industry.

The company's inclusion in the World's Best Companies rankings joins other similar acknowledgments received by Amplifon in 2023, from Top Employer certification for Europe, the United States, and New Zealand to its appearance in the 100 Most Loved Workplaces list by Newsweek magazine.
