

AMPLIFON IS THE FIRST ITALIAN MULTINATIONAL COMPANY TO BE INCLUDED AMONG THE GLOBAL 'LEADING EMPLOYERS' 2024

Milan, May 8th, 2024 – **Amplifon**, the world leader in hearing care services and solutions, is the first Italian multinational company to be included in the **Leading Employers 2024 at a global level**. The Group has also been certified for each of the geographical areas (Europe, the Americas and Asia Pacific) and the 26 countries in which it operates.

The certification follows a multi-step process that starts with an analysis of the company's reputation and then considers employee satisfaction, global communication with new talent and overall employee benefits.

Leading Employer is a research institute that certifies companies as employers of excellence thanks to an analytical model that evaluates the 'strength' of corporate brands, assessing their credibility and reputation.

"We are very proud to be the first Italian multinational company among the Leading Employers 2024, not only at a global level but also in the different geographical areas and individual countries where we are present, confirming our commitment to the development of our employees worldwide. In a company such as Amplifon, which focuses on service and interacts with the end consumer daily, people are the most important resource for achieving success, and a truly decisive factor in guaranteeing business growth and improving the lives of our customers on a daily basis," explains **Francesca Morichini, Amplifon's Chief HR Officer**.

The Amplifon Group currently employs more than **20,000 people in 26 countries** on five continents. Over 100 nationalities are represented at Amplifon. More than **70% of the company's workforce is made up of women**, with an **average age of under 40**. Each year the company provides each of its employees with an average of **at least three days of training**.
