

AMPLIFON: AMONG THE WORLD'S BEST COMPANIES FOR WOMEN ACCORDING TO FORBES

Amplifon was included in the ranking of 400 global companies compiled by the American magazine and Statista based on 100,000 interviews

Milan, November 5th, 2024 – **Amplifon**, the world leader in hearing care services and solutions, has been included among the **World's Top Companies for Women 2024** by Forbes and Statista. Amplifon is one of ten companies listed in the **Healthcare Equipment & Services category** ranking (<https://www.forbes.com/lists/top-companies-women/>).

The list brings together a selection of global firms, operating in at least two continents, and is based on an independent survey of approximately 100,000 women working in multinational companies in 37 countries.

The ranking considers various elements related to equal opportunities in career paths, management attention to possible discrimination, and the reduction of the gender pay gap.

Amplifon is a retail and services company where people play a critical role. Amplifon's people strategy is based on three pillars: organization, persons, and culture, which accelerate business growth and long-term sustainability. Today, the group employs more than **20,300 people in 26 countries**.

Amplifon

Amplifon is the world's leading hearing care services and solutions Group. Its goal is to enable people with hearing loss to rediscover all the emotions of sound, offering innovative and personalized products and services to guarantee the best solution for each customer. Founded in Milan in 1950, the Group, with annual revenues of over 2 billion euros, operates through a network of over 10,000 points of sale and more than 20,300 people in 26 countries on five continents.
