

FABIO TOMASI

CHIEF INFORMATION OFFICER

Fabio Tomasi graduated in Computer Science from the University of Milan in 2001 and earned an Executive MBA from MIP Politecnico di Milano in 2011.

He began his career in 2001 as an analyst and software developer at Uniteam, and later joined the Eni Group, where he spent over 15 years holding positions of increasing responsibility within the Information Technology area, including Head of Digital Customer Experience, Head of Digital Solutions, and Head of System and Digital Architecture.

In 2018, he joined Amplifon as IT Director Italy. Three years later, he was promoted to Global IT Omnichannel Program Director and subsequently to Global Retail Applications & Omnichannel Senior Director, before becoming Chief Information Officer in February 2026.
